

KSI European Open Tournament 2017 ESTONIA 11. Oktober – 15. Oktober

Dear Shukokai family,

Keep calm, and get your gi on, we have something to tell you!

Have you noticed how many years have passed since you guys came to see us? And some of you have never visited us, yet. We need to fix this.

Estonia is still quite small, old and medieval, nothing new. But, we have a brand new sportshall, that will reopen in February. And you are the best people to try it out!

Friends, we're happy to announce that KSI European Championship 2017, will be held in ESTONIA, 11-15 Oct.

Train hard, and we'll see you in Tallinn.

Don't forget, every workout counts!
